Hi Betsy,

Entropic does not agree to a *nunc pro tunc* extension of the expert discovery deadline that expired yesterday. Charter reached out well after business hours seeking an extension the day-of, and has not provided any explanation of why Mr. Almeroth's report was not filed yesterday, particularly because his opinions apparently were formed enough for Mr. Bakewell to interview Dr. Almeroth on them.

We are willing, however, to meet and confer on this issue and see if the parties can reach agreement. We can be available to discuss between now and 4 pm pacific today.

Best,

Hi Nick,

Thanks for sending the draft. We would like to reserve a rebuttal report for Dr. Almeroth and added a sentence in the attached saying as much.

Aside from that edit, we are good with the proposed motion.

Best,

Betsy
